Prayer Ministry

Isaiah 49:16 I have written your name on My hand.

God Thinks You're Wonderful !!!!!!!

It may be difficult for you to believe that God knows your name...but he does. Written on His hand. Spoken by His mouth. Whispered by His lips. Your name.

You have captured the heart of God. He cannot bear to live without you.

God's dream is to make you right with Him. And the path to the cross tells us exactly how far God will go to call us back.

It is not our love for God: it is God's love for us in sending His Son to be the way. If you want to touch God's heart, use the name He loves to hear. Call Him "Father".

CHANGE: GAITHER HOMECOMING

After announcing the plans for a church supported trip to Rupp Arena on May 22nd, we noticed a tight schedule at GCPC. In an effort to totally support the SUMMIT which is planned for May 23rd - May 30th, we are asking all those who desire to attend the Rupp Concert do so as individuals. (see www.gaither.com for ticket information).

GCPC to Host Boston University Students

Ten students from Boston University will be on our church campus from March 8th through the 15th. They are giving their Spring Break time to come to the area and volunteer as they work on many different projects. They will be sleeping at the church and will join us Wednesday evening for a meal at WOW. Stop by that evening and meet these students and show them the love of Christ and thank them for their extraordinary kindness to our community. If you would like to bring breakfast for them or a late night snack, call Tim and he will help organize that.

EASTER SUNDAY

Join fellow worshippers as we celebrate the empty tomb at a special **SUNRISE SERVICE** at 6:30 a.m. in the church courtyard (sanctuary in case of rain). This will be followed by our traditional breakfast served by the elders of the church. We hope for a record attendance this year. **THERE WILL BE NO 8:30 WORSHIP ON EASTER SUNDAY MORNING.** We will all gather for Sunday School and for the 10:45 service.

SPECIAL SERVICE IN APRIL

Please plan to attend a special Sunday afternoon gathering on Sunday April 11th at 5 p.m. in Gore Hall. Dear Church,

This is an amazing time for your church. SEEKING HIM is revealing Christ like never before. Lives are being transformed and this church is in transformation. I encourage you to be at church. Not attending gatherings where God is working and moving is akin to saying you really don't want to be with Him. Over the years I have seen deathly sick members drag themselves to worship while healthy members could not even drag themselves out of bed. The paradox here is that those who appeared sick were healthy and those who appeared healthy were spiritually sick. Know this, that when you do not want to come to church is when you need to be there the most. Scripture is replete with warnings about forsaking worship and with encouragements to come together. To ignore these warnings and encouragements is dangerous.

The Lord is bringing revival to many here at GCPC. Are you experiencing it in your life? If not, it is not the Lord's fault nor your church's fault. The blame lies squarely on you. There are a million reasons to skip church but there is one good reason not to do so. There is a God and He wants your worship, your eyes and ears, your hands and feet, your mind and voice and He want you to come together with others to hear from Him and to worship Him. I really hope to see you at worship. Great things are happening.

Blessings,
Tim

COMING TO GLASGOW CUMBERLAND PRESBYTERIAN CHURCH

WHAT IS A REVIVAL SUMMIT?

Designed for the entire church family, Life Action revival summits provide a one-of-a-kind experience of reconnecting with God and transforming relationships. They're times of seeking God for a personal and corporate outpouring of His Spirit. Our prayer is that through these concentrated times of seeking Him, God will awaken a desire in each church for something more, something holy . . . something extraordinary.

Why Revival?

It doesn't take a rocket scientist to know that life is painfully broken. Everywhere we look, we see the tragic effects of sin on people and society. The big question is, "Can the mess be fixed?" God's big answer is that Jesus came to heal all things through His death and resurrection. Through faith in Christ, anyone can participate with God in the restoration of all things. But how?

Some say education or innovation or social justice or international cooperation will heal the world. But we believe that the root of the problem is much deeper. We believe the heart of the matter is the human heart. Jesus said that *out of the heart* comes the real corruption in life (Matt. 15:18). That means that change on the *outside* can really only come when there is a change on the *inside*. All attempts to change human behavior without changing human hearts are like treating the symptoms of a disease but never dealing with the cause.

That's why revival is so important. Revival is a word that gets to the heart of the matter. It's a renewed relationship with Jesus that revolutionizes relationships with others.

The great news is that anyone can experience revival. The Bible says that if we draw near to God, God will draw near to us (James 4:8). *It is possible to cultivate revival by seeking God.*

For most Christians, the gap between what they know about God and what they have actually experienced in their lives is much wider than they wish it were. Some have tried and failed so many times that they wonder if real change is possible for them. Revival closes the gap between knowledge and experience, making faith in Jesus authentic and real. Incredibly, God wants us to experience revival even more than we desire it for ourselves. He has even given us a road map to follow. Our hope is that you will come with us on the journey of discovering more of God and His power for living. Along the way, God might even surprise you with His presence.

That's because another aspect of revival is that God loves to *pour out* His presence on individuals, communities, and nations. And when that happens, *everything* about life as we know it changes dramatically.

In fact, in wide-scale revival, society itself is transformed.

Revival. It's just one word, but it represents God's purposes and best for your life. In a world broken by sin, revival is a critical part of God's plan to heal, restore, and change everything.
